

# PLAN YOUR SUSTAINABILITY LEARNING & LEADERSHIP

WITH UKGBC | WINTER 2023-24

Impactful, inspiring and accessible learning is at the heart of our mission at UKGBC. Our diverse and comprehensive **Learning and Leadership** portfolio spans UKGBC's impact areas and is delivered across our **four learning levels**, empowering everyone to take action towards a net zero, climate resilient and regenerative built environment.

As a valued UKGBC member, all employees of your organisation receive free or discounted places across all UKGBC learning and leadership. Read on to see what we have coming up and plan your sustainability learning journey with UKGBC.

ALL UKGBC COURSES AND EVENTS AVAILABLE HERE

## DON'T FORGET

UKGBC's on demand digital learning is available for all UKGBC members to access at any time.

- [\(NEW!\) Bitesize Learning Guides](#)
- [\(NEW!\) An Introduction to Climate Change & Carbon Reduction in the Built Environment](#)
- [An Introduction to Sustainability in the Built Environment](#)
